

Product Features

P1CO-SAF2-F012 is a 50 Ohm RF connector, SMA jack (female) field replaceable design. This is a 2 hole flange mount SMA that mates with a 0.012 inch diameter pin.

Frequency is DC to 27 GHz.

Mechanical And Environmental Specifications:

Parameter	Description	Notes
RoHS Compliance	Yes	

Drawing

Connector, SMA Female, 2-Hole Panel Mount, Field Replaceable with Socket for .012
Pin. Frequency DC to 27 GHz. Max VSWR 1.15 up to 27 GHz.
